TESTIMONY FROM NORTH CAROLINA.

TESTIMONY FROM NORTH CAROLINA.

Certificate of Dr. W. Smith, of Pins Hill, Rich mond County, North Carolina.

Pins Hill, March 4, 1854.

Dran Sin: I have been a subject of Dyspepsia, in its worst form, for the last five years. Such was my condition for twelve mouths that the physicians and all who saw me said I must die. While in this condition, I was carried to the watering places in Virginia, Tennessee, and North Carolina, but was not benefited by any water to which I was taken. While on my way home, I stopped a week at Rutherterdton, a small village in North Caselina, to try the effect of some Chalybeate water in that place. About the last of the week I went into a drug store to get some medicine for my child and myself. There were several of the village physicians in the store, and one of them seemed to take some interest in my case, and, after asking me some questions, said he had been a dyspeptic, and had been greatly benefited by the use of "Hoofland's German Bittera," prepared by yeu, and he insisted that I would try the Bitters. He also called the next day at my room, and insisted so much that I would try them that I saked him to get me one bottle. He did it, and I commenced taking it as directed, and I was more benefited by it than all the water and medicine I had commenced taking it as directed, and I was more benefited by it than all the water and medicine I had ever taken.

After reaching home, one of my neighbors came to me for a prescription and medicine, (he a dyspeptic,) and I gave him nearly all the Bitters I had left, which effected much good in his case. He has often called on me for more of the same kind of medicine, saying he was more benefited by it than any other he had taken, at I have not been able to get any more for him or myself since. Will you, therefore, please ship me adore or more as soon as possible.

Respectfully, yours,

Dr. C. M. Jaonson, Philadelphis.

D. R. Hooker, Roger's Store, Wake county, North arolina, October 24, 1853, says:

"Having experienced very great benefit from the se of Hoofland's German Hitters, in Chronic Dysenty and Functional Derangement of the Liver, and concomitant evils, i am desirous of obtaining a mantity of it for the benefit of my community. You fill, therefore, please send a lot, &c."

DR. BROTHERS' RHEUMATIC PILLS.

These Pills are very efficacious in every case of Rheumatism, whether acute or chronic; and I am satisfied, from my own observation of their great efficacy in the worst and most obstinate cases, that they are not surpassed, if they are indeed equalled, by any other pills of the kind in existence; they attenuate viscid humors, remove obstructions, regulate the system, purify the blood, and thus cure the complaint. The Rheumstic Liquid used with the Pills, to bathe the parts affected, will very much facilitate the cure. When the case is very obstinate, and does not yield readily to the above medicines, a Syrup made from the Alterative Powder, (which can be obtained at the same place with the Pills and Rheumatic Liquid, much be taken according to directions accompanying it; but in most instances the Pills alone, or the Pills and Liquid, will remove the complaint in a short time. Price 50 cents.

OR. BROTHERS' PILE ELECTUARY.

This preparation has been found on invaluable remedy fyr the Hemorrhoids, or Piles. It is given internally, to correct a faulty state of the bil ary or digestive organs, which produces costiveness, or a derangement of the bowels, and consequently the Piles.

derangement of the bowels, and consequently the Piles.

Most of the remedies now in use for this dangerous and painful affection, are directed to be applied externally; they do not remove the cause of the complaint, and can therefore afford only temporary relief. Again, the disease is often beyond the reach o aid from external applications, an objection to which this remedy is not liable, it being taken internally. It is perfectly safe, pleasant to take, mild and easy in its operation, and affords immediate relief.

It is equally efficacious in curing both the Blind and Bleeding Piles. If the bowels are left costive after the use of this medicine, a little physic may be taken to regulate them. Having been trying the All Healing Ointment in some very bad cases of Piles, I hesitate not to assure the afflicted that it is a very valuable medicine, and an inestimable sauxiliary to

hesitate not to assure the afflicted that it is a very valuable medicing and an inestimable auxiliary to the Electuary. I consider it the best external application, I have ever known. The Electuary is an internal remedy, and the Ointment as an external application, used in connexion, I doubt not would be effectual in the most obstinate cases, and must surpass in all instances any other remedies for Piles to be found. Price \$1.

INGREDIENTS OR POWDERS OF MAKING DR. BROTHERS' RESTORATIVE WINE BITTERS.

WINE BITTERS.

This article has been extensively used many years by the original proprietor, in his private practice in thousands of cases in this city, (New York,) and throughout the country, with invariable success; he can, therefore, with confidence, recommend it as superior to any preparation of the kind now in use; it is admirably calculated to restore tone to the muscular fire, and thereby impart strength and energy to the whole system. It will be found exceedingly valuable in all cases of Debility, Dyspepsia, Pain in the Breast, Weakness of the Lungs, Nervous Complaints, and those inward complaints peculiar to females, such as Fluor Albus, or Whites, Prolapsus Uteri, or Fating of the Womb, &c.

By giving tone to the digestive organs, they are peculiarly useful in Dyspepsia or Indigestion, Nervous Diseases, and are thus beneficial in removing Flatulency, 2c. In short, they will be found a valuable preparation in all cases where a strengthening remedy is required. This medicine has long been in great demand, and has the justly deserved reputation of being unrivalled in its value and efficacy. Price DR. BROTHERS' COUGH DROPS.

These drops are remarkably well calculated to aller the iteratibility of the Brouchial tubes and lungs.

DR. BROTHERS' CATARRH POWDERS. These Powders are very serviceable in Catarrh and other obstructions of the nose and head. They promote a free discharge from the nasal glands, and diminish the pressure of blood upon the brain, relieve headache, and have often cured polypus in the nose. Colds which affect the head, eyes, and faucea, and which produce a tightness or stricture across the forehead will be relieved by these Powders. Price 25 cents.

and which produce a tightness or stricture across the forehead will be relieved by these Powders. Price 25 cents.

DR. BROTHERS' NEUTRALIZING MIXTURE, For Diarrhea, Choiera Morbus, and Summer Complaints of Children.

This Medicine possesses the power, in a very remarkable manner, of neutralizing the acidity of the Stomach, or removing the morbid or acrid secretions of the Liver, which are the exciting causes of bowel complaints in general. It allays sickness of the stomach, removes the pain, causes healthy evacuatious from the bowels, at the same time acts as a gentle astringent. Hence it will be found a very superior and valuable remedy, in both acute and chronic diseases of the bowels, in Diarrheas, Dysentery, Choiera Morbus, and Summer Complaints of Children. In all these complaints the liver is usually more or less affected, the stomach in an irritable, and the bowels in an inflamed condition. This medicine is most effectual in relieving all these organs, restoring their tone and natural functions. Among all the numerous remedies for these diseases, some of which are strongly recommended, this has proved itself, in every instance, to be the best, the surest, safest, and most effective of ail. I do not think its equal can be found for children when teething, or as a remedy for bowel complaints. Price 50 cents.

Let All my medicines are put up under my own personal supervision, and the public are assured that they are prepared of the best imported vegetable ingredients, and can be obtained only at our office, No. 1/9 centh B street, oppesite Smithsonian Institution, where they have done a large and successful practice for the last six years, in the treatment of all Chronic Ducases, and those diseases produced by the Old School Mineral Physicians, by the indiscriminate use of Mercury, Arsenic, Animony, &c. Happily for suffering humanity, their practice is so manifestly injurious, that it is now gradually on the wane, and must in a few years sink into oblivion.

PROPOSE TO GIVE AN ACCOUNT OF MY
"TRAMPS" in different States, with the scenes, characters, incidents, events, sprees, and adventures, with which I have met, or in which I have participated, including one year spent at sea and three years in the United States Army, in war service. I have had vicissitudea and troubles enough to try any man's soul, and almost ruin his understanding; and now that I am waxing old, and my thread of life is nearly spun out, I take this method of trying to get something that will make all my latter days last in comfort to the end.

My "Tramps" will form a neat volume of one hundred pages, at least, which will be farnished to subscribers hereto at fifty cents, and will be issued as soon as the subscriptions will justify.

My old shop-mates, members of the craft, and others, I trust, will "occasion" for me by subscribing to this. Friends to whom this prospectus is sent are requested to procure subscribers and forward their names to B. T. STARK, as 286 tf

RETURNING MY SINCERE THANKS TO MY friends and the public, for their very liberal patronage, I will take this opportunity to inform all, that from the 1st day of August, 1857, I have closed my books entirely, and nothing more can be charged under any circumstances; my object in so doing is to enable me to sell at smaller profits, and offer greater inducements to purchasers.

I would most respectfully solicit a call from all, as I can confidently assert, from the recent large purchases I have made, my stock is decidedly larger, cheaper, and better than it has ever been before; and by solling for cash alone, I believe I can make it a saving to all to give me a call before purchasing.
